Hello

FOR YOUR CALENDAR

AUG 16 LAST DAY

AUG 22 CIRCLE CELEBRATION

SEPT 2 CIRCLE TASTINGS

SUMMER 2026 OPEN TO THE PUBLIC

We've had a wonderful time operating our small business in downtown Healdsburg for more than 14 years. We'll miss being able to walk anywhere downtown for lunch and chat with all the other business owners around us, but we're ready to spread our wings in our permanent home, which sits on six acres.

Dates to know

- **Aug. 16** will be our last day for tastings on Center Street.
- **Aug. 22** is the date of our goodbye celebration at the tasting room. Save the date and watch for emails to come.

For Cartograph Circle Members

We won't open to the public until summer 2026, but you're welcome to taste with us at the new property during construction. Because we're dealing with an active construction zone through the winter, we're limiting tastings to Tuesdays - Saturdays — but if you need to request a different day, please reach out to Serena.

FAQs

How do I schedule a tasting at the new property?

We're hitting "pause" on our Open Table reservation system on Aug. 16 until our public reopening, so please call (707.433.8270) or email (info@cartographwines.com) to schedule. We'll be setting up a system to reserve via text, but we want to make the phone system is up and running first.

Do I need to make a reservation, or can I walk in?

We won't be able to accommodate walk-in tastings during construction, so you'll need to call or email us to schedule (day-of requests are fine).

Can I schedule a tour of the new property?

Yes! If you'd like a tour followed by a tasting, anticipate about 90 minutes for your visit. To schedule, email Serena (serena@cartographwines.com).

Where is the new property?

It's located on the north side of Healdsburg at [280 Chiquita Rd](#). We'll eventually have a Cartograph sign up, but for now the driveway sign says Slaughterhouse 280. You can walk there from downtown Healdsburg in about 25 minutes via a great walking/biking path.

How many people can taste at a time?

We'll be able to do tastings for up to six people.

Will there be a fall release?

Yes, there will! We're already planning it and will send details in August.

Will you continue to work with Valette restaurant?

Absolutely! They're providing the small bites for our Aug. 22 goodbye celebration, and we've already booked them for our end-of-harvest lunch celebration on Nov. 8.

Any other questions? Please let us know!

THANK YOU

We're very excited about this big step in the Cartograph journey. We look forward to enjoying the next few months in our downtown space - please stop by! - and to seeing you at the new property.

Thank you for all your support. We couldn't have taken this step without you.

Cheers,

Alan and Serena
